## THE **CYBERTECH** ADVANTAGE

Creating Business Networking Opportunities Across Borders. All at the forefront of Global Cyber Innovation.

You're in the business of cyber. We live it. Introducing Cybertech, the cyber industry's foremost B2B networking platform featuring cutting-edge content by top executives, government officials, and leading decision-makers from the world of cyber. From Tel Aviv and Rome to Tokyo, Singapore, Panama, and more, our conferences and exhibitions serve as the go-to place for all the latest updates on innovations, threats, and solutions facing the global cyber arena.

Cybertech Global Events feature discussions by world renowned speakers from a wide range of sectors including critical infrastructure, insurance, retail, health, government, defense, R&D, manufacturing, automotive, and more! Since our inception in 2014, we have become the movers-and-shakers of the cyber industry—building new alliances, strengthening existing ones, and forming unique connections to make business happen at the forefront of global opportunities.

Cybertech will be hosting its inaugural event in New York City in October 2020! As the cyber industry's foremost B2B networking platform conducting industry-related events all around the globe, our conferences and exhibitions serve as the go-to place to make business happen and learn all about the latest technological innovations, challenges, and solutions to combating threats within the global cyber arena.

Cybertech NYC 2020 will bring together the leaders of the New York City cyber ecosystem. Hear from top executives, government officials, leading decision-makers from a wide range of sectors including critical infrastructure, insurance, retail, health and government, defense, R&D, manufacturing, automotive, and more! Network with multinational corporations, startups, private and corporate investors, venture capital firms, experts, and clients..
