Cybertech NYC 2021

October 20 - Conference and Exhibition

October 21 - Special Seminars

Organizers: CYBERTECH USA   COMEXPOSIUM

THE **CYBERTECH** ADVANTAGE

Cybertech NYC, the international summit for the cyber industry is a 2-day event, featuring a **grand exhibition hall, cutting-edge conference, and sector specific special events**.

Cybertech conferences attract market-leading companies, government officials, world-renowned speakers, innovative startups, and investors worldwide. Our first ever **conference in New York City will take place October 20-21, 2021**.

New York City is the f**astest-growing tech hub in the United States**, rivaling Silicon Valley. The city's tech sector represented 372,000 jobs in 2019 and $16.2B in funding in 2020. There's no doubt about it - the big apple keeps getting bigger.

This is the perfect place to **foster existing business connections and create new opportunities** with a wide range of sectors and entities, including government, industry, and academia.

While leading players from around the world gather together, visitors and participants **can use the Cybertech B2B Platform to pre-schedule business meetings** onsite.
