The latest advancements in quantum technology and its impact on cybersecurity.

# Invest in the Best

An Exclusive Global Platform for Top Investors to  
Connect with the Most Promising Startups

September 5, 2024 // Metropolitan Pavilion, Chelsea

BY  **CYBERTECH NYC**

In collaboration with

**NYC / EDC**

Invest in the Best offers a unique opportunity for pre-selected startups to gain direct access to global investors, industry insights, and invaluable networking possibilities. It facilitates connections and business growth on an international scale through local engagements at top innovation hubs worldwide.

Startups and investors are carefully evaluated to guarantee the best matches and most effective engagements. Only 25 startups and 25 VCs/CVCs will be selected for Invest in the Best NYC ensuring high-quality interactions and opportunities.

This edition will focus on early growth startups with breakthrough innovations in cybersecurity / risk mitigation and AI across the various industries.

## HIGHLIGHTS

### Panel Discussion

Industry experts and leading investors will delve into pressing issues and trends within the cybersecurity and AI investment world, providing deep insights and fostering a rich exchange of ideas.

### Curated One-on-One Meetings

Carefully pre-scheduled sessions will pair startups with investors in a "speed dating" format, ensuring efficient and impactful engagements that maximize opportunities for meaningful connections and potential investments.

### Hosted Networking Reception

An exclusive reception designed for strategic networking, allowing investors and innovators to create strong connections in an intimate and engaging environment.

### Exclusive Dinner

A special dinner event will bring together all participating startups and investors, providing a relaxed setting to strengthen relationships over food and drinks.
