# **CYBERTECHNYC** In Collaboration with **SPECIAL EDITION**

The main forum for technology leaders and investors in cybersecurity & AI

## September 5, 2024

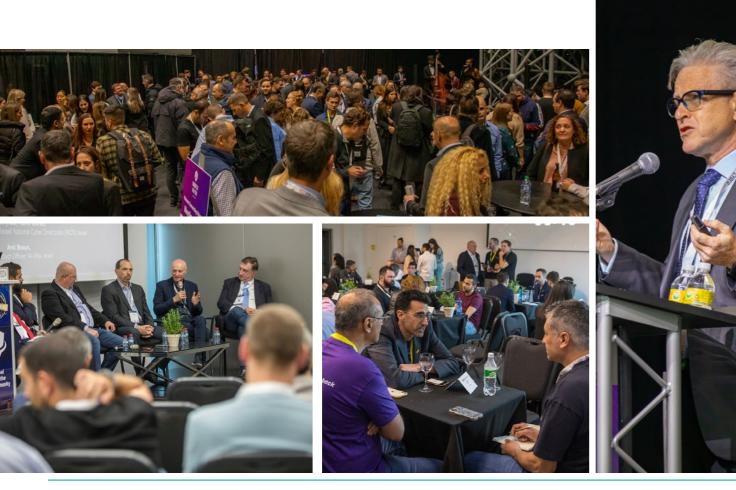

### **Metropolitan Pavilion, Chelsea**

### September 4 • September 6 Throughout NYC

## **Cybertech Special Edition** New York 2024

Welcome to Cybertech Special Edition New York 2024, where the future of technology meets today's leaders. This premier forum of innovation in cybersecurity and AI will gather industry pioneers and leaders from across the nation and around the globe. Whether you're looking to ignite new ideas, discover groundbreaking technologies, or foster strategic partnerships, this forum offers unparalleled access to people, organizations, insights and tools that shape tomorrow's tech landscape.

September 4, 2024, includes special forums and a formal reception, setting the stage for networking and initial engagements. On the next day, September 5, you can participate in the main conference and explore the Company Showcase. There will also be special industry forums with leading experts and figures in the field.

#### Main Stage

Engage with world-class speakers discussing the latest in cybersecurity and AI technologies. Our keynotes will share cutting-edge insights, including AI in deception, fintech, financial security, retail innovations, healthcare technologies, talent management, and more.

#### **Company Showcase**

Explore a variety of innovative companies presenting their latest technologies and groundbreaking solutions. This dynamic environment provides a unique backdrop for interaction, engagement, and inspiration, showcasing cutting-edge advancements in technology and in the cyber field.
